## 2015 SWD Fall Convention

### The Southwestern District of the Barbershop Harmony Society

**Chorus Event Photography Package:** Chorus contest on Saturday morning. All action shots done from the stage. Formal shot done on stage immediately after their contest set. Each chorus would be ordering a **event package** of: 1ea 8x10 print for quality control of a formal pose on stage plus a CD of the images (posed and performing) generously photographed. All files in 8x10 size at printable quality with a copyright lease so they can print more themselves and use in any means of electric publishing to promote themselves. The master CD will be mailed along with one 8x10 size print to the designated Chorus contact. Candid shots of the Chorus Finals and The Show of Champions (if they are on stage) will be added to their CD.

**Chorus Event Photography Package \$75 + 6.19 sales tax = \$81.19**

If you pay on line just print out the order form as your receipt and bring to check in. We will also have a record.

We will be able to take your payment and order form at your session time. To go smoothly **Choruses** need to be prepared to order when they pose for their formal Portraits Friday night.

This is a great opportunity to use our event photography special pricing to promote yourself. You will be able to use your generous photographed performance on your CD covers, web presence or any of the social media sites.

Because all the performances will be ordering their respective packages that allows us to capture the moment and provide a quality product. Last years event is still on-line
