PREAMBLE

The Rules set forth here represent a compilation of the original Rules and all amendments, changes and additions effective as of March 3, 2017. All previous editions of the Southwestern District Contest Rules are superseded. Should any conflict arise between these rules and BHS Contest and Judging rules, BHS Contest and Judging rules shall take precedence. The Southwestern District Representative for Contest and Judging (DRCJ) must approve exceptions to any rules found herein with the concurrence of the Southwestern District President.

NOTE: The Southwestern District official responsible for the District's Contest and Judging program is known as of this writing (2017) as the District Representative for Contest and Judging. This title may change in the future (to, for instance, District Director of Contest and Judging). Regardless of the title, the term "DRCJ" shall refer to that official in these Contest Rules.

PART I - GENERAL

1. Quartet and Chorus Contests held in the Southwestern District shall be conducted as provided in the "Official Barbershop Harmony Society Contest Rules" (found in the Contest and Judging Handbook of the Barbershop Harmony Society), and other provisions of the Contest and Judging Handbook (including Determining Expense Allowance for Members of Judging Panels) EXCEPT as provided in these Rules or otherwise modified by the Southwestern District Board of Directors and House of Delegates.
2. All Quartet and Chorus Contests in the Southwestern District shall be held during the Spring or Fall District Conventions.
3. All contestants, including associate directors, in any District or Division Contest, must have purchased a full registration package for that Convention.
4. The DRCJ is responsible for the judging program of the District and for the conduct of all contests. As such, the DRCJ shall work closely with the District Director of Events (DE), the Convention Chairman, the District Board of Directors, and the Contest Administrator of each judging panel.
6. The DE shall coordinate all conventions held within the District in accordance with the SWD Convention Manual
7. Entering the contest:
 - a. Eligible quartets and choruses enter the District and Division contests by completing and submitting the on-line CJ-20 entry form located on the Society's members only section of the website not later than midnight 30 days prior to the start of the Contests.

- b. Late Entries: Those not submitting the entry form as described above will not be eligible to enter the contest. The DRCJ may, at his discretion, make an exception due to extenuating circumstances.
8. Draws for orders of appearance: The DRCJ shall draw the order of appearance, by lot or other method approved by District Board of Directors, for contestants in all contests. The draw for a Finals round may, at the discretion of the DRCJ, be “live” (from the hat) or may be taken from the computer program used by the Contest Administrator.
- a. The draw for orders of appearance shall be made by the DRCJ not later than 25 days prior to the contest.
 - b. For chorus contests, the host Chapter may choose to sing first or last or be included in the draw. DRCJ will adjust the draw for any such request. All other choruses in the contest will be drawn either by Plateau level or by the number of riser sections the chorus requests.
 - i. If by Plateau, all Plateau A choruses will be drawn first, then Plateau AA, then Plateau AAA
 - ii. If by number of riser sections, the draw will be by the choruses requesting the fewest number of sections and proceed to the choruses requesting the greatest number of sections.
 - c. The official draw may be modified by the DRCJ in order to separate quartets and choruses which have members in common or for any other reason deemed necessary by the DRCJ.
9. The announcement of contest winners will be made by a person named by the DRCJ in consultation with the District President. Should there be a lack of consensus, the decision of the DRCJ, or in his absence the Contest Administrator, will prevail. (The intent is that a person who will bring excitement and the proper sense of reward to the occasion be selected to make the announcements. It may properly be a District official, the Master of Ceremonies, or a member of the judging panel.)
10. Quartets and choruses may enter any contest (except the International Preliminary Quartet or International Preliminary Chorus Contests or Fall District Chorus contest) using the “Scores For Evaluation Only” option. Entering under this option means the contestant:
- a. competes before contestants not choosing this option
 - b. is scored by the judges, receives a Contestants Scoring Analysis, and receives regular Evaluation Sessions.
 - c. is not eligible for any awards and cannot qualify to proceed to a next-level contest
 - d. will not appear on the Official Scoring Summary
11. District and Division Quartet Contests shall award a Novice Quartet Champion to the highest-scoring eligible quartet (if any). A Novice Quartet is any quartet with two or more members who have never sung in a quartet contest at that or a higher level, including using the “Score For Evaluation Only” option. This means:

- a. singing in an International Preliminary Quartet Contest is considered, for Novice Quartet eligibility purposes, to have sung at both Division and District levels
- b. singing in a contest "Score For Evaluation Only" is considered to have sung in that level's quartet contest
- c. singing in a District Quartet Contest, without having first sung in a Division Quartet Contest (as a substitute, for instance), is considered to have sung at both Division and District levels

12. The DRCJ shall post these Rules on the SWD Website and/or the Southwestern District C&J Home Page with links from one to the other. Revisions to these Rules shall be annotated in the current Official District Publication.
